SUMMARY

I am a graduate of Informatics from Multimedia Nusantara University. Currently, I work at PT First Wap International as a Database Developer. I have an interest in Database Developer, Database Administrator, and Data Analyst. I open various opportunities especially in the Data field to learn and develop myself into a Data Expert.

EXPERIENCE

Database Developer

08/2023 - Present

PT First Wap International ↗

- Create migration script for schema and data changes.
- Solve database issues.
